

Class 2 Lorry Driver –Customer Facing – Would also suit a class 1 driver looking for a better work life balance

Snetterton  
Full Time / Permanent  
£27,000 - £33,000 DOE

The Wood Pellet Delivery Company are seeking an experienced Class 2 Lorry Driver to join our team on a permanent basis. In this role you will be part of a team responsible for delivering Antidust Wood pellets for fuelling biomass boilers to both commercial and domestic customers.

**Main Duties:**

- Deliveries to domestic and commercial properties in Norfolk, Suffolk, Cambridgeshire, Lincolnshire and Essex
- Promoting and maintaining the Antidust brand
- Maintaining a good standard of work & customer service
- Communicating with the office team and supplying relevant paperwork
- Other duties as required

**Requirements:**

- Valid Class 2 licence - Essential
- Up to date CPC & digital tacograph cards - Essential
- Interest in renewables and willingness to learn – Essential
- Good customer skills – Essential
- Ability to organise and manage time – Essential
- 1 year minimum Class 2 driving experience - Essential
- Forklift driving - Advantageous

**Details:**

- Full Time Permanent position
- Working hours: Monday to Friday - Early starts and late finishes will sometimes be necessary, so flexibility is key. You will be home every night.
- No call out rota just flexibility on core hours depending on customer needs & workloads
- Annual Salary and weekly pay
- Training provided
- Rewards for outstanding work
- Lorry (Left hand drive), Fuel Cards, Uniform and PPE provided
- Standard holiday entitlement & Pension scheme
- Progression available for the right candidate

**About us:**

The Wood Pellet Delivery Company established in 2016 as a spin off from our Renewable Energy Business Green Home Energy Solutions. Born out of wanting to provide our Biomass Boiler Customers with a quality pellet that didn't seem to exist. We have expanded our area to go up to Boston and down to Essex. The business continues to grow at a fast rate, and seek someone to join our growing team.

If you are in possession of the above skills, please apply by sending your CV to [jo@greenhomeenergysolutions.co.uk](mailto:jo@greenhomeenergysolutions.co.uk) - no recruitment agencies please.
